Speaker: Andrea Bruno of Empowering Directions

Subject: Alexander Technique

13th - [Swarthmore's Rise Against Hunger Event](#)

Table Grace

By Frederick E. Christian

Lord, you have given us another day to use wisely or to squander as we will. Teach us how to redeem the time you give us in our own special way. Grant that we may strengthen the ideals of Rotary through our vocation or profession that this world may be a better place for all humankind. Accept our thanks for this food and by it, enable us to serve you in gladness of spirit. Amen.

4 Way Test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Fun Fair Update

**Remember to place and pay for your ad in the Swarthmorean supplement!
Remember to ask your favorite charities to take part in the fair and parade!**

Fun Fair Food Tent Dollars

The next Rotary fiscal quarter starts April 1st. You will notice a charge on the next quarters bill for \$40 for Fun Fair Food Tent Dollars. You will receive tickets you can sell or use for food purchases at the Fun Fair. (This motion was approved by the Board after a few years of hiatus while the club was "spending down.")

Last Meeting Summary

By Richard Shimko

The program for our March 21st meeting was an hour of service. Glenn Chelliah made an impassioned pitch for Project Cure. As we have heard previously, Project Cure collects medical supplies and distributes them to hospitals in third world countries. Swarthmore Rotary has provided financial support to Project Cure in the past and our members have participated in service projects such as packaging

Service Quotation

“The best way to find yourself is to lose yourself in the service of others.”

- Mahatma Gandhi

supplies.

For the remainder of the meeting, our club packaged dental supplies for the Haiti dental clinic. As we have heard in the past, this clinic serves a population that mostly lacks basic dental services and supplies. We have given them grants for major dental equipment such as dental chairs. We removed the supplies from their packaging and reboxed them. Special thanks to Lori the Strath Haven High School Interact for their efforts in collecting toothbrushes, toothpaste, and dental floss. Also, thanks to Ken Wright, who will be driving the boxes to Florida to the Haiti clinic headquarters, thus saving the high cost of postage.
