## Table Grace

By Frederick E. Christian

**During these weeks, scores of our young people have been launched into the world that we call "the world of the professions and of business." Grant that we who receive them may not dim their high hopes and lofty ideals. Guide us, Lord, that we may give them a vision of service woven out of the fabric of Rotary's goals. Amen.**

## 4 Way Test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

## Club News

**President Bill Hale reminded the club of the food bank donations event on June 10 and the installation of President Kathryn Jones on June 24. He said the Swarthmore Rotary Service Awards will be announced at the Installation lunch.**

**Three new Rotary members, Ann Green, Theresa O'Malley, and Dave Finn, will be installed at the meeting on June 17.**

**Cathy Darrell reminded us to visit Steve Laxton. She again offered to coordinate visits.**

## Last Meeting Summary

**Great news for lovers of Swarthmore Farmer's Market! A lot of the restrictions that were imposed last year because of the pandemic are being lifted. Pat Francher, the new Farmer's Market General Manager, was joined by Jon Gly of Farm-to-City to announce the good news. A number of restrictions were imposed last year. There was only one entrance and exit. Masks were required. Entry was limited to adults. Finally, there was no entertainment and the number of vendors and customers was limited. Starting June 26, all of these restrictions will be lifted. There will be more vendors. We will be able to enjoy free entertainment while we shop.**

Pat, as were the previous two Farmer's Market managers, is retired and is doing this job for free. Swarthmore is fortunate to have residents such as Pat and former Farmer's Market manager and current Rotarian, and Mayor, Marty Spiegel.

Jon said Farm-to-City's role is to recruit vendors and make sure they follow all safety standards. Farm-to-City only recruits producers, that is, vendors who grow or make everything they sell. Jon said suitable vendors are hard to find. One good thing, because Swarthmore Farmer's Market is well run and attracts a lot of customers, all the vendors want to come back every year.

A number of Rotarians asked about his or her favorite vendor. All of us are looking forward to being able to enjoy the Farmer's Market with no restrictions this summer.
