Today's Program:

Club Assembly

Table Grace

Lord God, teach us that the unfolding tomorrows are not simply times and places where we arrive, but the results of what we create by what we are and do today.

Bless us here as we gather in Rotary's name and help us to act wisely and well.

Give us, above all, grateful hearts for the chance you give us to do so in your name in this New Year.

Amen.

The Rev. Dr. Frederick E. Christian

Last Week's Speaker:

John Pickett

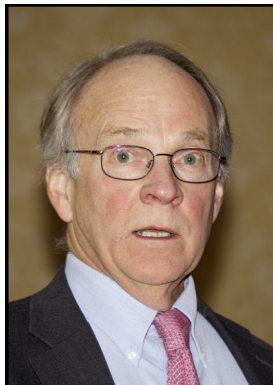

By Mike Malone

John Pickett, Director of Planning and Community Development for Delaware County, spoke to us about county initiatives in open space, trail development, and energy conservation.

The county has purchased Mineral Hill for open space.

Trails added or in development are the Radnor Trail, the Darby Creek Trail, and greenway along the Blue Route.

Energy saving has led to solar panel installation on government buildings.

The Pledge of Allegiance

Four Way Test:

Of the things we think, say and do;

1. Is it the Truth?
2. Is it Fair to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

District Governor's Citation Awarded to Gladys Snively

By Brian Casey

On December 15th, during her official Club Visit, District Governor Bonnie Korengal was to present a 2nd District Governor's Citation, but that was one of the rare days when Gladys was not able to attend.

Standing in for DG Bonnie, Assistant Governor Anne Hansen presented the Citation to Gladys Snively in recognition for her tireless work for the club over the years.
