Table Grace

Grant us, Lord, the strength to pass this day in gladness and peace, without stumbling or stain.

May we reach its close with something added of our devotion to Rotary ideals that shall have strengthened and encouraged another on a difficult road.

Receive our thanks for this food and for the exchange of friendly chatter around these tables. And may your name be praised. Amen.

The Rev. Dr. Frederick E. Christian

Last Week's Speaker:

By Rich Shimko

Dawn Mazzone, President of the new Horn and Hardart (H & H), told us about "Horn and Hardart, Then and Now". She started with a short slide show presenting the history of H & H, which included photos of celebrities drinking H & H coffee (I'm still confused as to how many there were, but there were a lot). H & H started in 1888 by, who else, Joe Horn and Frank Hardart. Their first automat opened in 1902 on Chestnut Street in Philadelphia. At its peak, H & H had over 150 restaurants, primarily in New York and Philly. Unfortunately, the population shift to the suburbs and the rise of fast food restaurants led to the demise of H & H. The last of the automats closed in 1991.

The Pledge of Allegiance

Four Way Test:

Of the things we think, say and do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all Concerned?

August is Rotary Membership Month

Have you thought about the impact you could have on someone by simply inviting them to a meeting. The following article from *The Rotarian* states the case!!

As a young banker, William Pollard Jr. had just moved back to his hometown in Petersburg, Virginia, when a retired banker named Tommy invited him to visit a Rotary club meeting. Pollard knew nothing about Rotary, but that simple invitation launched an extensive career of service. William stated in a recent article in *The Rotarian*, “*Tommy passed away several years ago and he probably never realized the impact he had on my professional and personal life. Because of Tommy ...*”

- I have made so many wonderful friendships with Rotarians throughout the world.
- I have participated in many service projects helping others.
- I have lived my life more ethically as I look to The Four Way Test.
- I have had the satisfaction of financially supporting the life-changing work of The Rotary Foundation.
- I have enhanced my leadership skills serving as a club president, district governor, district Foundation chair, and in many other club and district roles.
- Because of Tommy, I am helping *Light Up Rotary* this year.

So the question is: Have you been or will you be a Tommy to someone else?

Swarthmore Rotary Club - Helping ABC

On Monday, August 18th several members of the Club assisted in the cleaning and preparing of the newly merged ABC house. The group donated several hours removing trash from the basement, cleaning blinds, assembling chairs, weeding the front gardens and vacuuming. We would like to thank the following people for their service: **Perri Evanson, Ken Wright, Joan Wright, Cathy Darrell, Jim Sredenschrek, and Brian and Andrew Casey.** Dana Marcus, the new president of ABC, was grateful for our help.

Last Week's Speaker (continued)

Dawn and the current owners of the H & H name sell coffee and cheese spread over the internet. They have also sold a franchise for a restaurant location in Philly at Suburban Station.

The high point of the presentation for me was when Rotary members lovingly called out their favorite H & H foods: “mac & cheese”, “grilled sticky buns”, “rice pudding”, “hot chocolate”. My mouth was starting to water until I remembered that I had just had lunch. This is perhaps the first time I am sorry I didn't grow up in Philadelphia. (smiley face).
