## Last Meeting's Program: Norm Mawby

By Rich Shimko

Norm Mawby made a return visit to Rotary to tell us about his new book, *Ball, Bats, and More*. Aside from knowing Art Baker since 1st grade, 74 years in all, Norm was the former city manager at Trediffrin Township. This book is a follow-up to his first book, *Part of the Parade*, which was about the people who work at the Philly's ballpark. His new book is about different aspects of putting on a ballgame and was co-written with 16 other writers (Norm was editor). For example, the man who is the Philly Phanatic wrote about being a mascot. Others wrote about food concessions and free souvenirs. Norm described the Philly's organization as being well-run because they hired people who were bright, wanted to be there, and knew how to have fun.

## Polio vaccine celebrates 60th anniversary

Sunday, 12 April, marks 60 years since the Salk polio vaccine was declared safe, effective, and potent. In that time, the number of polio cases has dropped by 99 percent worldwide. With just three countries remaining polio-endemic, we are closer than ever to eradicating this crippling disease.

For the full story, go to <https://www.rotary.org/en/polio-vaccine-celebrates-60th-anniversary>.

## Speaker: Continued from Front

As George pointed out, the talk was particularly enjoyable because the Philly's had won the previous night. We can only hope for many more wins, for the sake of Norm and George and all the other Phillies fanatics.
