Table Grace

The poet has reminded us that a person's "reach must exceed his grasp, else what is heaven for?" In fact, what is it that makes life worth living but our response to the high goals such as Rotary embodies?

Impress on us, Lord, the importance of the ideals for which Rotary stands. Give us grateful hearts for the blessings we enjoy. Amen.

Rev. Dr. Frederick E. Christian

Last Meeting's Program: Jason Romanoff By Rich Shimko

Jason Romanoff's talk about internet fraud scared me. (Hey Rich, this is Jim, check out these great cute cat photos at <http://youarescrewed.ru>). Jason is the eCommerce fraud analyst at the Bryn Mawr Trust Company. He came to Bryn Mawr Trust after obtaining degrees in criminal justice. One of his jobs is to evaluate credit card fraud cases. (Thank you for eating at Slavic Delight, I'll just take your credit card in the back room and swipe it. We are busy so it will take about 15 minutes). Some advice – don't open any link ending in .exe, which is probably software that will make the afflictions of Job look like a bath in warm milk by comparison.

Another – read the Terms & Conditions at the web sites before clicking Accept. If you don't Jason, and now I, will not be surprised when a \$29.99 a month charge shows up on your credit card for the rest of your life – and you agreed to it! In other words, it pays to be paranoid.
