Table Grace

Lord of our lives, in the midst of our larger concerns for life's longer pull, may we not miss the gifts of each single day. Like golden coins, you invest in us twenty-four hours each day. Teach us to use them wisely and well. Through the gentle discipline of Rotary, help us to give to others, in some simple ways of thoughtfulness, what you have first given us. Thanks be to you, Oh God. Amen. Frederick E. Christian

Last Meeting's Speaker: Meltem Gonnella

Meltem Gonnella has had an exciting life as a journalist and TV star. She has covered wars, volcanic eruptions and interviewed famous people. But she gave up her exciting life in Turkey and moved to the U.S. for love. What a story! As part of Meltem's classification talk as a new Rotary member, she discussed how much the field of journalism has changed in the past 35 years. When she started major newspapers had reporters permanently stationed across the globe. Now newspapers send journalist from the home city to cover overseas events.

Four Way Test:

Of the things we think, say and do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all Concerned?

Guests: None.

DONATIONS NEEDED!

The CityTeam Ministries food pantry is bare and needs constant replenishing. If you can donate items such as: peanut butter, tuna fish...

**Please contact Cathy Darrell, who will transport any donated items.
Or just bring them to a meeting.**

Speaker: *Continued from Front*

There are no permanents foreign bureaus. Even worse, the papers may rely on other sources such as Associated Press for the story. Of course, as we all know, there are many fewer newspapers now then 35 years ago. Getting back to the love story, Meltem said she met her future husband when she went to interviews him. This was her "favorite" interview of all time. He must be quite a talker.
