Table Grace

Amid the flaming colors of Fall and the bracing air that we breathe, O God, remind us of the poet's words that "The Heavens declare your glory;" that we may never forget that you are the Giver of all of life. You have given us ample provision for our needs of body, mind, and spirit for which we are truly grateful. Amen.

Rev. Dr. Frederick E. Christian

Last Week's Program:

Daniel Hopkins

by Rich Shimko

Just when you think you can't stand hearing another thing about the 2016 election, along comes Penn political science professor Daniel Hopkins to give a fascinating talk. He said political polling is getting more difficult on the one hand but more accurate on the other. The difficulty is that people don't want to participate in polls. In spite of that, people's votes are more predictable based on factors such as race, sex, education, and location.

Naturally, Daniel talked about the 2016 election and Donald Trump. He said the more interesting question to him is not why Trump is so close in the general election but why he came from nowhere to win the Republican primary.

The Pledge of Allegiance

Four Way Test:

Of the things we think, say and do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOOD WILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all Concerned?

Koshish Project update

We learned a few months ago that the **Rotary Club of Delhi Megapolis** had found a way to get migrant worker children into Indian schools when they previously had not been able to go because they were not Indian and had no permanent address. To do it, the club provided preschools, now 5 of them, where the kids from 3 to 8 could get preschool teaching, lunch, a uniform and most importantly, an address that Rotary got the government to recognize as sufficient to allow the kids to go to the Indian schools. Our club has agreed to sponsor one of the five schools of 60 children, at a yearly cost of \$3,000. And even better, 19 of our members have sponsored 49 children so that our Club's share is only \$550. This is Rotary at our best – service above self.

If you want to sponsor a child, give Ken Wright a call at 610-653-2501. They are \$50/child for a year.

Program: *Continued from Front*

He is close in the general election because each party has a core of 40% of the voters that will vote for their candidate no matter what. So most general elections are not blowouts. Daniel found that in the primaries Trump got the votes of a relatively large group of Republicans who were identified on profiles as being prejudiced (his words) and against free trade.

Daniel said he is only popular every four years during presidential elections so thank you Ann and Barbara for getting him when he was at his peak
