### Table Grace

God of hope, these are days that are often discouraging in business and disquieting as we look at the larger affairs of peoples and nations. Grant that we may not be dismayed, but encouraged as we work together and serve our community. Give us grateful hearts for all your bounty, especially, the gifts of the hour. Amen.

Rev. Dr. Frederick E. Christian

### Last Week's Program:

**David Dye**

by Rich Shimko

David Dye grew up in Swarthmore and graduated from Swarthmore College in 1974. He has been playing recorded music on the radio ever since. As creator and host of World Café, an eclectic music show, he has interviewed 2500 musicians, including YoYo Ma, Joni Mitchell (a chain-smoker, by the way), and Bonnie Raitt. After reminiscing about how Swarthmore has changed since 1974, and how it has remained the same, Dave told us how he broke into radio.

His statements demonstrated both sides of an argument I have been hearing lately. One side of the argument celebrates diversity –

### The Pledge of Allegiance

### Four Way Test:

Of the things we think, say and do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all Concerned?

### Guests:

Natalie Anderson (guest of Joy), Don Larson (guest of Sue), Marylou Parker

## The Rotary Foundation Seminar - Saturday November 4th

The annual Rotary Foundation Training Day is Saturday, November 4, 2017, (9:00—1:15). We will rejoin District 7430 at the Montgomery County Community College (MCCC) in Blue Bell.

Our Foundation Seminar has something of interest to all Rotarains, of the many great things we have done in the past, how you can support now and plan on future projects that you and your clubs may want to consider doing, plus we will have great Keynote Speakers, including:

- Past RI Director and current Foundation Trustee Julia Phelps,
- Polio Survivor Rotarian John Nanni, Rotary Historian and Foundation Author PDG David Forward.

We will also have in attendance from Evanston, Rotary Foundation Specialist Staff members, Chris Boyce and Amanda Lawson, to inspire us why each one of us through our support of TRF makes an enormous difference to many others less fortunate than us in our world yesterday, today and most importantly continuing that tomorrow.

Learn from the following breakout sessions:

- Rotary Foundation Overview & Update
- Annual Fund - Purpose and Money Flow
- Polio Update
- District & Global Grant Overview
- Peace Centers & Scholars
- Endowment Fund/Major Donors
- Rotary Action Groups

For more information, including how to register, see DG Dawn deFuria's email of 10/15. **Questions:** Please contact Bronwyn Martin at [Bronwyn.d7450@gmail.com](mailto:Bronwyn.d7450@gmail.com)

\* Plus Attend the **Grant Certification Session**. Each club is **required** to have 2 annually certified members in order to apply for a grant. This session provides the required certification. **1:15 pm to 3:15 pm** District Grant Management and Workshop.

## October 24th is World Polio Day

### What is a Purple Pinky?

When a child is vaccinated, they have a purple stamp or paint put on their little finger. So each Purple Pinkie brings us closer to making Polio history. By supporting the Purple Pinkie campaign, you can help make the pain and life-limiting effects of Polio a thing of the past.

## Last Week's Speaker: David Dye

(continued from front)

different music, points of view, cultures, etc. The other side values shared beliefs and knowledge. On the one hand David promoted new and diverse music on his show, including world music from Africa and other places. On the other hand, he said one of the things that makes him sad is that music is splintered and few entertainers are known to everyone. This seems to be an increasing problem in many areas, not just music.
