Table Grace

By Frederick E. Christian

Lord, to Thee, Author of Liberty, we come with grateful hearts and minds as we remember your gracious providence that has blessed our great land. Take us in Rotary and make us instruments of your larger purpose that our faltering nation and broken world may learn to live in prosperity and peace. Amen.

4 Way Test

Of the things we think, say or do

1. Is it the TRUTH?
 2. Is it FAIR to all concerned?
 3. Will it build GOODWILL and BETTER FRIENDSHIPS?
 4. Will it be BENEFICIAL to all concerned?

Service Quotation

"Everybody can be great .. because anybody can serve. You don't have to have a college degree to serve. You don't have to make your subject and verb agree to serve. You only need a heart full of grace. A soul generated by love."
- Martin Luther King Jr.

Cathy Darrell is requesting that Club Members please donate to City Team! Please consider donating non-perishable food items, baby products, diapers, canned formula, women's sanitary pads or tampons. You can drop off the items on Cathy's front porch (315 North Chester Road, Swarthmore PA 19081) or call her and she will come to your house for pick-up (cell 610-764-6262).

June 30 - Club meeting will be in person at the Inn. Please bring \$20 cash for lunch. We will participate in a service project together at the Inn to prepare comfort kits for patients and their families who are at Nick's House in Swarthmore.

Last Meeting Summary

Melissa Lyons, the new Director of the Delaware County Health Department (DCHD), faced interesting questions and comments when she spoke to Swarthmore Rotary. Melissa presented an overview of the organization and duties of the new department. As you know, the DCHD was established several years ago and Melissa is the first permanent Director. One Rotarian stated that public health activities were already being done by the communities before the DCHD was formed. Melissa acknowledged this comment. Another Rotarian questioned how the return on additional taxes will be measured. Melissa responded by first stating that she hoped to have most of the Department's costs covered by state and federal government grants. She also stated that the Department will provide information on what it does. It also will track trends in community health.

The DCHD is divided into three parts. The Division of Environmental Health has 13 health inspectors who conduct inspections of facilities such as restaurants, pools, private sewers and wells. The Division of

Population Health focuses on issues such as community health assessment, chronic disease prevention, and health equity. This Division was responsible for the Covid response. The Division of Personal Health covers diseases such as TB, HIV, rabies, and sexual diseases. It is also responsible for child vaccination and mother/child health.

Melissa said we can learn more about the DCHD at its website: delcopa.gov/health.
