**November 19, 2025**

Board members not in attendance: Joe Lesniak, Josh Twersky, Ken Wright, Maria Zissimos.

The minutes of the Board meeting of October 22, 2025 were adopted unanimously.

Jane reviewed the October Financial Report. The current balance in the club account is \$16,714.

#### **Grants**

The Board unanimously approved a grant request of \$1,000 from the Chester Children's Chorus for math tutors and \$1,000 for Hurricane Melissa Relief. Both funds will be from the Swarthmore Rotary Trust.

The Board deferred a decision on a request from Wesley AME Church for \$2,000 to aid in a \$250,000 project to repair water damage at the church. While the Board expressed support for the initiative, it would like to see the grant fund a more defined piece of the overall project. Charlie offered to provide some advice to the church on the repair work.

#### **Rotary Arts**

Approximately 20 people attended the last RAC. The next conversation will be on Friday, January 16 with Lori Ardis.

#### **Programs**

Hillard reported that the calendar is complete for 2025.

#### **Membership**

Carr reported that 2025 was a successful year. Our newest member is Evelyn Showell.

#### **Rotary Foundation**

Elizabeth continues to solicit donations from club members, with the goal of 100% participation. She reviewed Paul Harris awards, and said she is still somewhat frustrated with Rotary International's donor recognition program.

### Other Business

Jane reported that the Rotary Peace Fellow Fundraising Challenge has collected about \$28,000.

Hillard is continuing to work on the hunt for a President-Nominee (2027-28).

Jane reported that we will meet in December only if there are pressing grant requests to review.
